### I understand and agree to the following separately and jointly:

1. I have successfully completed all courses that are prerequisite to the graduate courses listed above.
2. Approval of this Senior Permit does not constitute admission to the BSU Graduate College nor does it obligate the Graduate College to admit me in the future.
3. Courses taken by Senior Permit and reserved for graduate credit will not automatically be applied to any specific graduate degree program. The applicability of graduate credits thus taken can be determined only after I have been admitted to the Graduate College and a supervisory chairperson and graduate committee have been selected.
4. Graduate courses taken by Senior Permit and reserved for graduate credit at BSU may not necessarily be accepted as transferable graduate credits by another university.
5. A maximum of two 500 level courses may be applied toward the 40 credit hour upper division requirement for an undergraduate degree.
6. If a graduate course is taken under Option II with the intent of having it substituted for an undergraduate degree requirement, an Adjustment to Academic Requirements form must be approved and filed with the Registrar.
7. It is understood that graduate courses applied toward an undergraduate degree cannot be retaken for graduate credit.
