

Academic Appeal Form

The University Academic Appeals Committee (UAAC) is the final arbiter in the process of requesting an exception to academic policy. **The UAAC reviews an appeal one time. A re-appeal for the same request will not be accepted.** It is important that you submit sufficient documentation with your appeal to support your case. Use **black** or **dark blue** ink only.

The Appeal Process

1. Complete the *Academic Appeal Form* on the back of this information sheet. You (the student) must submit a *well-written letter*, **limited to one typed page**, along with adequate justification and pertinent documentation to the Registrar's Office (Administration Building, Room 110). *All materials must be received no later than 5:00 p.m. each Friday.* If you have any questions, call (208) 426-4129.
2. The University Academic Appeals Committee meets every Wednesday throughout the year, with a few exceptions. An appeal submitted with missing materials will result in a delay in going before the committee, so be sure to include all required forms, signatures, and documentation. Also, take care of any administrative holds (e.g., parking or library fines) in order for the appeal to be heard at the next scheduled meeting.
3. You should receive a written response to your appeal within three to four business days after the committee reviews your appeal. It is important to provide a complete mailing address to receive the notification. You may also call (208) 426-4249 after 3:00 p.m. on Wednesday to see if a decision has been made on your appeal.
4. If you want your appeal forwarded to the Fee Appeals Committee for their separate review, you must check the box: Forward to Fee Appeals Committee for consideration. Be aware that the Fee Appeals Committee is very specific about what medical documentation they will accept.
